ARBOR COMMUNITY GARDENS

@ Arbor Good Neighbor House, 2509 McDivitt Road

2026 Registration Form

Welcome to Arbor Community Garden!

Completed registration forms can be emailed to garden@agnh.org or sent to Arbor Community Gardens c/o Ron Heinrich, 14 Pelham Ct., Madison WI 53713. Plots are assigned in the order registration forms are received although those who have gardened with us in previous years have priority as long as they also submit completed registration forms. Cost is $20 for a full plot and $10 for a half plot, and fees are due once a plot has been assigned. If cost is prohibitive accommodations for individual gardeners can be made. If you are interested in smaller gardening options container beds are also available, please email for additional information.

Water barrels are located throughout the garden, gardening tools are available for general use, and approximately 10 tomato cages will be provided for each plot. Should you want to till your garden we anticipate having a small tiller available. If the weather co-operates, plots will be ready for planting by the middle of April – you will be updated on the status of the garden by email. Any questions you have can be sent to garden@agnh.org or you can reach me at 608-515-3288.

Wishing you all an enjoyable experience and a fruitful harvest in 2026. Be well and good gardening.

Ron Heinrich, Arbor Community Garden Coordinator

Name: _____

Address: _____

Phone #: _____ Email: _____

Preference: Full Plot _____ Half Plot _____ Container Plots _____
